

European ISELP Module

Neck and back

September 5th - 7th 2019

Heesch, The Netherlands, August 2019

Dear sponsor of our conference,

First of all we want to let you know that we really appreciate your attendance at our upcoming ISELP module at our facility in Heesch, The Netherlands, this year.

Hereby we want to give you some information regarding this event:

Expectations

We have around 110 participants (equine veterinarians), excluding 8 instructors. All of them are (or are willing to become) experts in the field of equine orthopedics. Our module will cover three days about the “neck and back” of the horse. This in depth seminar consists of two theoretical days (including a live dissection and a live ultrasound wetlab demonstration) and one wetlab day (where all participants have to practice their ultrasound-skills on a living horse). On Friday evening there will be a BBQ, with party, for all sponsors and participants.

Exhibition room

There is one large room provided where all sponsors can exhibit their products. In this room breakfast, lunch and coffee breaks will take place to get the maximum interaction between participants and sponsors.

Lecture room

The lecture room is off limit for sponsors due to limited space. Please also note that it is not possible to follow the lectures without being a registered (paid) participant.

Establishment exhibition areas

The exhibition room will be open for you from 01.00pm on Wednesday (September 4th) afternoon and will close around 5.00pm. Of course you can also set-up early Friday morning, but be aware that breakfast will be provided to all participants at 7.00am!

Neck and back

September 5th - 7th 2019

Sporthorse Medical Diagnostic Centre

Exhibition set-up

NOTICE!!

Exhibition stands will be provided with light and electricity. For the lay-out of these stands please carefully read the attached map. Furniture can be rented additional with the attached form (we need to know your final wishes before Augustus 27th 2019).

Attached in this email is a map provided so every sponsor (global or module) can find their designated place in the exhibitions room. Due to organizing and safety reasons we assume that everyone respects this plan.

The size of these stands is final: this cannot be changed!

For all sponsors a normal table and two chairs will be provided, in case they do not want to order furniture.

SMDC ISELP wifi: no password needed

Exhibition opening hours

Thursday from 06.30 am until 07.00pm and Friday from 06.30 am until 06.00pm (on Friday dinner-setting has to be arranged, so we need to stop with exhibition earlier). On **Saturday there is no exhibition.**

Freight

If your company has freight to be sent:

- Please use following address:
Sporthorse Medical Diagnostic Centre
Hooge Wijststraat 7
5384 RC, Heesch, The Netherlands
ATTN: ISELP-NL
- If you want it to be picked up after the event, please LET US KNOW by email (iselp@sporthorsemdc.com), to be sure we know what has to be picked up and by whom.

Program

See attached pdf-file with all program details (regarding breaks ect.)

Info participants

In the attached excell file all participants can be found for your convenience
